- **Mouse replacement !**

Small, Thin, Water Resistant, Durable and fast, Works on all computers, PC, Mac, Car-PC, Laptops, Desktops, Tablet PC, and more... Works right along side your current mouse or touchpad!

Fast Easy & Fun, Pick it up, sit back in your chair and surf the web. Put it anywhere so you do not always have to reach for your mouse, on tables, desks, in cars and workshops. The Ergonomic Touchpad does everything your mouse does, left click, right click, Scroll!, drag & drop, zoom, glide extend and much more. It has low profile ergonomic design means less hand movement and more comfort. It comes with a special Velcro backed housing that make it "ten touchpads in one!" You can set it, stick it down or use one of our keyboard mounts to put it within an inch of your typing hands on your computer keyboard!
