

39.95 EUR

incl. 19% VAT, plus shipping

If you choose this option, you will receive 1x complete assembled system, which is ready-to-run. (It is clear, that this system is only assembled to the highest possible level, dependend on your ordered items)

Example :

You order : - 1x Mini-ITX enclosure

- 1x Mini-ITX mainboard

- 1x RAM

- 1x SSD 2,5"

Then you will receive a complete built system.

If you order Windows in addition, then we also will install the operating system and drivers.

You are also welcome to leave your specific wishes in the order comment field or send us an e-mail.
